

Sponsored by Miami University, the Bever Family Foundation,
and the Ohio Humanities Council

Hello again! By now you're no doubt as excited about the fast-approaching workshop as we are. Before it begins we want to make you aware of a few things.

Finding an open parking space on campus can be difficult, but Parking Services will provide each of you with a voucher that will allow you to park for free in the North Parking Garage (see attached maps). You should have no difficulty finding a spot there, but please be aware that it will be the *only* place on campus that you can park for free. Please fill out and bring the enclosed parking information sheet (yellow paper) with you on the first day—Parking Services will need this information to validate your parking voucher. You may park in the garage the first day: The voucher you will be given that morning will allow you to exit the garage at no cost at the end of the day.

Summer is the season for construction in Oxford and at Miami; consequently, a number of streets on campus have been blocked off, and detours created. The enclosed campus map indicates the best way to reach the parking garage.

Please note that the workshop meets from **9:00 am** to **3:30 pm** each day. Be sure to bring your lunch and drinks each day.

We've enclosed the workshop roster—complete with phone numbers—in the hope that you will carpool to the workshop when possible. We've also enclosed maps to help you find your way to the museum.

One more thing: *it is absolutely essential that you inform us if you are unable to participate so that we may accept the alternates on our waiting list.*

If you have questions, please contact Mike Wright at (513) 529-6084 or wrightmf@muohio.edu. As always, you can access important information (forms, maps, previous mailings, etc.) for this workshop by going to our website, www.EnvironmentalEducationOhio.org. Click the *GREEN Teachers* link at the top of the homepage and then click *Information for Current Workshop Participants*.

We'll see you at **9:00 am Monday, July 6** at Miami University Oxford, 106 Upham Hall (Hefner Zoology Museum)—coffee, tea, and goodies will be waiting for you!

Sincerely,

The GREEN Teachers Institute staff
